

St. Monica Candle Cleaning Schedule – July-December, 2011

See additional attachment for names, contact numbers of volunteer cleaners

Just a reminder, the actual day you clean is not critical, as long as the candle stands are cleaned about twice a week. Therefore, I have scheduled a cleaner for the first part of the week (Sunday-Tuesday) and another for the second part of the week (Wednesday-Saturday). Time is not critical either. If you cannot clean on the date assigned, please refer to your list of other volunteers (attachment with cleaner roster is sent with this communication) to find someone who might be willing to switch times; or call Emmet and he can substitute for you. If you see that supplies are running low, please let Emmet know so he can see that more are ordered. You can reach him through this email address or call him at 341-7648. Thank you again for signing up for this ministry
