| Christmas** | \$ 100.00 |

***monthly commitment to Native American SVdP Conference**

**** last minute help to family to buy Christmas gifts for kids**

TOTAL EXPENSES \$ 2,504.11

A total of 84 calls came into our answering machine this month. At least one call back was made to each. Many of these calls are from persons outside of our service area and the only assistance we can offer is the number for the appropriate SVdP Group and other referral numbers relative to their specific need.

Your SVdP volunteers served a total of 22 families in December, 3 within our designated service area and 19 families helped in response to requests from other SVdP groups, mainly for Edmond residents.

Our Spanish speaking members have been trained and are now monitoring the Spanish line option on our message phone on a daily basis.

Our newest members are monitoring the calls on the Spanish-speaker line on a daily basis.

We are happy to respond to any questions or concerns the Council might have.

Respectfully submitted,
Janet Hatcher, Secretary
